

CALL FOR PAPERS

The 6th annual conference of the French Association of Environmental and Resource Economists will be held at the Faculty of Economics, University of Rennes 1 on August 29-30, 2019. The local organizers are the CREM and SMART-LERECO (INRA) teams.

The aim of the conference is to promote scientific research in the field of environmental economics. All theoretical or applied works are welcome, on topics such as biodiversity, fishery, agriculture, forestry, water, energy, climate, pollution, green growth, and bio-based economy.

Keynote Speakers:

- **Rick Van der Ploeg**, Professor of Economics, Research Director - Oxford Centre for the Analysis of Resource Rich Economies (Ox-Carre), UK,
- **Stefanie Engel**, Professor of Environmental Economics - Osnabrück University, Institute of Environmental Systems Research, Germany.

This 6th annual conference will also be an opportunity to award the **FAERE prize for the best environmental paper by a young economist**. The particulars of this contest can be found at the Conference website.

Authors are invited to submit their paper at the Conference website:

<https://faere2019.sciencesconf.org>
